Well Oiled Emma from Well Oiled started producing small batches of handmade pesto and infused extra virgin olive oils. Things went from strength to strength and she is re-launching her products at the Living North Christmas Fair at Newcastle this month. All the Well Oiled products are hand prepared, using traditional recipes, in her kitchen at home and the extra virgin olive oil used in her recipes is produced using olives grown on private estates in Italy. An ideal Christmas present! Well Oiled, Rowan House, Hackforth, Bedale, N Yorks DL8 1PE 07533 265179 www.well-oiled.co.uk
